Subject: Recommendation Regarding the 1997-98  
Monthly Service Charge

Directors:

In accordance with Ordinance No. 96-1, the monthly service charge, now at \$14.00/month, is scheduled to increase \$2.50 to \$16.50/month on July 1, 1997. The \$16.50 rate is to be in effect for the 1997-98 fiscal year.

After review and discussion at the May 28, 1997 budget workshop, staff and the Board determined that the proposed revenues for 1997-98, at the rate of \$15.00/month would be adequate to meet expected expenses; and that with this rate it is projected that General Fund reserves at the end of the 1997-98 fiscal year will be within the guidelines established in the S/PMUD Five Year Wastewater Financing Plan, dated April, 1993.

Pursuant to provisions of Section 14401 of the Public Utilities Code, and based on the guidelines established in the District's financing plan and information provided at the May 28, 1997 budget workshop, I hereby recommend that the District's monthly service charge be set at \$15.00/month per EDU for the 1997-98 fiscal year.

The above mentioned Section of the Public Utilities Code requires the Board to hold a public hearing within 40 days of the filing of this report and recommendation, and that notice of the time and place of the hearing shall be published once a week for two successive weeks. The District will prepare the required Notice of Hearing for this purpose.

Respectfully submitted,

G.T. Loscalzo  
General Manager
